**NOTICE**

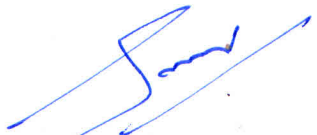

Government of Kerala has decided to form River Basin Authority (RBA) adopting Concept of Integrated Water Resource Management (IWRM).The proposal for restructuring of Irrigation department will be in line with the above principles.

Confining to the above and in the wake of recent repeated floods and natural calamities, more emphasis will be focused on Hydrological aspects, Coastal Zone Management and Environmental aspects.

Based on this, the names of Engineers who are willing to work in these disciplines( Hydrology, Coastal Zone Management and Environmental assessment) may be forwarded to [idrbtvm@gmail.com](mailto: idrbtvm@gmail.com), in below format on or before 12-11-2019.

Name	Designation	Present station	Education	Specialisation (if any)	Date of Joining	Previous experience		
						Hydrology	Coastal	Environmental

1.11.2019

  
Chief Engineer
