Sir,

Sub: PRAGATI Projects- uploading details of projects / programmes in the online system.

As you are aware, PRAGATI (Pro-Active Governance And Timely Implementation) is a unique integrating and interactive platform. The platform is aimed at addressing common man's grievances, and simultaneously monitoring and reviewing important programmes and projects of the Government of India as well as projects flagged by State Governments. The portal is directly monitored by Prime Minister, Government of India and is reviewed periodically with the Chief Secretaries of the respective States. KSIDC has been designated as the Nodal Agency for this web portal as well.

Additionally, E-Samiksha is a real time, online system for monitoring of follow-up action on the decisions taken during the presentations made by different Ministries/Departments/States to the Prime Minister. The follow-up action in respect of each decision is to be updated as and when the status changes or at least every month. The status updates of projects in the PRAGATI portal may also be provided in this system.

Presently, Government has directed KSIDC to upload the relevant details of projects / programmes in the online system. Further, it has also been directed to hold regular meetings with concerned departments / agencies, for gathering the details on all projects / programmes from the concerned departments / agencies for uploading into the web portal.

The status updates of the projects/issue description with the UID (Unique Identifier) CSC/KL/25, pertaining to the Department of Water Resources has been included by Government of India in the e-Samiksha portal. Details of the same is placed as Annexure I
