

GOVERNMENT OF KERALA

ABSTRACT

Water Resources Department – COVID 19 - Effective management of disease - work arrangement from 23-03-2020 in Irrigation Department - Instructions - Orders issued.

WATER RESOURCES (G&P) DEPARTMENT

G.O (Rt) No255/2020/WRD.

Dated, Thiruvananthapuram, 24/03/2020

Read:- GO(Ms) No.49/2020/GAD dated 23/03/2020.

ORDER

The following work arrangements are ordered with immediate effect in Water Resources Department for the effective management in the wake of emergency situation due to Covid 19. All officers of Irrigation Department will work from 23/03/2020 as per the directions and CE(I&A) shall scrupulously monitor its effective implementation:-

1. Only very essential activities such as water distribution, payment of salaries and other emoluments to staff, payment of bills to Suppliers and contractors and emergency activities like repair of canal breaches, breakdown of Lift Irrigation pumps, anti- sea erosion of urgent nature need to be undertaken. Due to public traffic/other restrictions to private transport, Departmental vehicles may pick up/drop off essential staff in districts where public transport is affected /stalled.

2. Head of offices with minimum essential officers for the above mentioned purpose shall attend office as and when required. The officers and staff to attend shall be specified by the Head of Office through office orders.

3. Officers shall attend all emergency work and spare vehicles (not urgently required in department) with driver as requested by the District Collector/ State government in connection with Covid-19 management activity.

4. All officers and workers engaged in office and field duties shall be supplied with sufficient Hand sanitizers, masks and gloves by the Head of Office. Expenses for the same shall be booked as admissible office/project expenditure.

5. Head of all subordinate offices should be available on phone at all times to Head of Department concerned/Government.

(By Order of the Governor)
