CIRCULAR

Sub:- Allotment of Departmental machineries attached to Mechanical wing of Irrigation Department-Procedures-Reg.

Mechanization in all fields is happening every day and with the implementation of the same execution of projects can be speeded up. Exorbitant expenses are also being incurred due to non availability of suitable machines. In order to overcome this grave situation, Mechanical wing of Irrigation Department has purchased and in possession of one mini excavator, one Back hoe loader, one Long reach excavator and a bush cutter attachment.

The prime objective of purchase of these machines are for cleaning the canals, ponds and bund roads and bush cutter attachment is for cleaning the vegetation in canals side walls and canal roads etc.

Though these machines are intended mainly for the departmental works, they can also be hired out to other departments/private parties if idling or in an emergency situation. For the effective allotment/usage of these machineries, following modus operandi is adopted. Preference for allotment will be given to the work of Irrigation Department then to other Government Department, PSUs and at last to private parties.

The request for allotment should be originated by the office head not below the rank of Assistant Executive Engineer of Irrigation/PWD department and equivalent posts of other departments. The requests should be addressed to Executive Engineers/ Mechanical Division, Malampuzha (for mini Excavator and Back hoe loader) and Executive Engineer, Mechanical Division, Alappuzha (for long reach excavator).

After assessing the feasibility of using the machines in the proposed work sites by Assistant Engineer/AEE of Mechanical wing, the machines will be allotted by the Executive Engineer.

If any Government undertakings have exemption in paying hire charges for using machinery, they should produce relevant G.O.s along with application/request letter.

Chief Engineer, Mechanical

Proceedings of the Chief Engineer (Mechanical), Irrigation Department
Thiruvananthapuram.

Present: RAJUG.

Sub: - Hire charge of Plant and Machineries –fixing Hire charges of 5T Mini Excavator, Backhoe Loader and Long Reach Excavator – orders issued - Reg

Read: - 1) GO (Rt) No. 971/2019/WRD, dated 20.12.2019.
2) Letter No. D1-390/2020, dated 29-05-2020 of the Executive Engineer, Irrigation Mechanical Division, Malampuzha.

ORDER NO. CMU/K/809/2020 DATED 15-07-2020

As per the government order 1st read above, department has purchased 5T Mini Excavator, Backhoe Loader and Long Reach Excavator. The Executive Engineer, Irrigation Mechanical Division, Malampuzha vide his letter read 2nd above has submitted a proposal for fixing hire charges of these machineries.

In view of the above, hire charges of the above machineries are fixed based on capital cost of machinery as per contents of Art. 316 of Kerala Public Works Department Code.

Hire Charge Calculated as per article 316 of PWD Code (Excluding Fuel Charges)			
Sl.No.	Machinery	Departmental Work (Rs/Hr)	Private Work (1.5 times) (Rs/Hr)
1	5T Mini Excavator	Rs. 600/-	Rs. 900/-
2	Backhoe Loader	Rs. 520/-	Rs 780/-
3	Long Reach Excavator	Rs. 1,150/-	Rs. 1,725/-

The hire charges fixed above are inclusive of crew charges, but exclusive of fuel charges, conveyance charges and other operating cost which are to be levied as per actuals. In case work for less than four hours is only planned for any particular day, the minimum rate of recovery shall be for ½ day (4 hours). When machineries are put to work in excess of 8 hours, hire rate at 1.2 times the hourly rate may be levied. These rates shall be applicable until issue of further orders.
