**Order No.ICI/33351/2020 dated 28 /12/2020**

As per read (1) to (3) above, the direct recruitees of 1<sup>st</sup> Grade D'man / Overseer were included in the Appendix- A and those who are promoted from 2<sup>nd</sup> Grade D'man/ Overseer were included in the Appendix – B.

Invoking Kerala Engineering Subordinate Service Special Rules 1958, 1965 and its amendments in 1994 and Kerala Irrigation Engineering Service Special Rules 2010, in the category of 1<sup>st</sup> Grade D'man/ Overseer, the incumbents who possess Diploma, whether they are direct recruitment or promotees should be included in the diploma quota. Certificate holders should be enlisted in the Certificate Quota for promotion. For this purpose, based on the date of assignment, these Diploma holders who were included either in Appendix – A or Appendix – B and desired to include in the Diploma Quota for further promotion and those who have diploma qualification but desire to continue in the Certificate Quota for further promotion are included in the respective quota and promoted accordingly, keeping the ratio intact. This is the procedure being adopted in the Irrigation Department in the category of 1<sup>st</sup> Grade D'man / Overseer.

Earlier there were many cases wherein promotees who were listed in the certificate quota who possess and acquired diploma qualification had been promoted I the post of Assistant Engineers through Diploma Quota.

Being so this department had issued circular no. ICI/34954/2018 dated 15/11/2018 and letter vide No. A9/27545/2018 dated 29/06/2019 calling option for change of quota. This was challenged before the Hon' ble KAT by some First Grade D' Man who were appointed through Direct quota and obtained interim stay Order dated 24/07/2019 in OA EKM No. 1229/2019.

In view of the above stay Order and on considering the exigency situation for filling up of existing vacancies of Assistant Engineers through By transfer from Diploma Holders and Certificate holders , proposal for convening DPC for the year 2020 was submitted to DPC with a request , subject to the final disposal of the OA.

The DPC, while considering the field of choice submitted by the Convener, there were difference in opinion among the members regarding the Special Rules applicable for promotion to the Category of Assistant Engineer (Civil) through By transfer appointment. Since a consensus can not be arrived at, the Committee decided to get it clarified from the **PUBLIC SERVICE COMMISSION** and to convene the meeting after getting the clarification.

As per reference 6<sup>th</sup> cited, Public Service Commission clearly specified that in the Irrigation Department for the Higher post including Assistant Engineers, Kerala Engineering Special Rules have been framed in 2010, which unequivocally Prescribed the qualification, eligibility, criteria and ratio for different feeder streams such as diploma holders and certificate and direct recruitment. Kerala Engineering Sub Ordinate Service Rules which existed in the undivided PW Department also has been followed in the irrigation Department for the lower post which also is a mandatory.

COMMISSION viewed that the above mentioned Rules allows two streams and avenues for promotion to the higher post which is Assistant Engineer. The Rule does not envisage any change or restrict entry of incumbents who possess diploma to the post of Assistant Engineer by way of promotion whether they are in the line of direct recruitment or not. The COMMISSION also emphasized the prevailing Rule ie. Engineering Sub Ordinate Service Rules which permits the diploma Holders to shift the stream subject to the acquisition of requisite qualification that is diploma. Certificate Holders who acquired Diploma while in service must be placed at the bottom of the seniority list or in the field of choice in the zone of consideration for the post of Assistant Engineers.

The COMMISSION directed to convene DPC based on the final published seniority list of Diploma Holders in the feeder categories and prepare the select list in tune with the provision contained in the Rule 28 of KSSR and also insisted to prepare the select list in the sequence of seniority list of each category unless otherwise superseded.

Accordingly, **the Seniority Lists issued vide reference read as 1 to 3 and the subsequent circulars issued vide reference 4 & 5 are hereby cancelled.**

Modified Provisional Seniority List (draft) of 1<sup>st</sup> Grade D'man / Overseers for the period from 01.01.2004 to 31.12.2018 by enlisting Diploma holders and certificate holders are prepared and appended herewith.

Those who are included in the draft list and having any complaint over the list, may file complaint in written duly countersigned by the Head of Office and reach the undersigned within 10 days from the date of issue of this order, otherwise this list will be published as Final Seniority List. Delayed complaints or complaint received without countersignature of the head of office will not be considered.

List will be finalized only after the final Orders of the Hon'ble KAT in OA ( EKM) No. 1229/2019.

This list will be available in the official website of Irrigation Department, [www.irrigation.keralagov.in](http://www.irrigation.keralagov.in)
