

GOVERNMENT OF KERALA

Abstract

WRD- Desiltation of reservoirs in Kerala- Constitution of Technical Committee and Empowered Committee as envisaged in Standard Operating Procedure(SOP)- Orders issued.

-----  
**WATER RESOURCES(IR)DEPARTMENT**

**G.O.(Rt)No.425/2018/WRD** Dated, Thiruvananthapuram, 16/06/2018  
-----

Read 1 G.O.(Ms) No.79/2017/WRD dated 26-09-2017

2 Letter No.2300/2007/IDRB/DS2/AD2 dated 1.03.2008 of the Chief Engineer (I &D)  
Irrigation Design & Research Board, Thiruvananthapuram.

ORDER

As per G.O read as 1<sup>st</sup> paper above, Government have approved the Standard Operating Procedure(SOP) for desiltation of reservoirs in Kerala and accorded sanction for carrying out desiltation of Mangalam and Chuliar Dams as pilot projects, one by adopting the work contract method and the other by turnkey method. As per Standard Operating Procedure a Technical Committee and Empowered Committee are to be constituted.

The role of Technical Committee is as follows:

- To vet and accept the estimated quantity of components in the deposited sediments as well as estimated cost of each component material/ estimated cost for extraction, processing, separation and packing etc. of each component material.

The role of Empowered Committee is as follows:

- To scrutinize the DPR in consultation with the Chief Technical Examiner.
- To decide and approve the bidding method (Method 1- Turn key Method or Method 2- Work contract) to be adopted for a particular project in consultation with Chief Technical Examiner.
- Fixation of installment amount to be paid to the Government for Method 1- Turn key Method.
- Approval of variation in the estimated quantity of total sediments and realized total quantity in consultation with the Chief Technical Examiner.
- Monitoring the progress of work and redressal of disputes, if any, arising during execution of work.

In the circumstance the Chief Engineer, IDRB has furnished proposal as per letter read as 2<sup>nd</sup> paper above, for constituting Technical Committee and Empowered Committee as envisaged in Standard Operating Procedure as follows:

**Technical Committee**

1. The Chief Engineer (Irrigation and Administration)-Chairman
2. The Chief Engineer in charge of the Project- Convenor
3. The Chief Engineer (Mechanical), PWD- Member
4. The Director, Mining and Geology Department -Member
5. The Chief Hydrographer - Member
6. The Superintending Engineer in charge of the project- Member

**Empowered Committee**

1. The Additional Chief Secretary, Finance Department- Chairman
2. The Additional Chief Secretary, Water Resources Department - Convenor
3. The Additional Chief Secretary, Power Department- Member
4. The Additional Chief Secretary, Revenue Department- Member
5. The Additional Chief Secretary, Forest & Wild Life Department-Member

Government have examined the matter in detail and are pleased to constitute Technical Committee and Empowered Committee as follows:

**Technical Committee**

1. The Chief Engineer (Irrigation and Administration)-Chairman
2. The Chief Engineer in charge of the Project- Convenor
3. The Chief Engineer (Mechanical), PWD- Member
4. The Director, Mining and Geology Department -Member
5. The Chief Hydrographer - Member
6. The Superintending Engineer in charge of the project- Member

**Empowered Committee**

1. The Chief Secretary- Chairman
2. The Additional Chief Secretary, Water Resources Department -Convenor
3. The Additional Chief Secretary Finance Department -Member
4. The Additional Chief Secretary, Power Department- Member
5. The Additional Chief Secretary, Revenue Department- Member
6. The Additional Chief Secretary, Forest & Wild life Department- Member

Power Department shall constitute Technical Committee as per the SOP in connection with the reservoirs under KSEBL.

(By order of the Governor)
