

**MINUTES OF THE TECHNICAL COMMITTEE MEETING FOR DESILTING OF
MANGALAM RESERVOIR AT PALAKKAD DISTRICT KERALA ON 23.04.2020
AT 2.00 PM**

The Technical committee meeting for the desiltation of Mangalam reservoir was convened in the chamber of Chief Engineer,(Irrigation & Administration) , in the presence of Chief Engineer, Projects-1 and Chief Engineer, IDRB , Other technical committee members attended virtually through video conference due to the prevailing lock down condition in the country on account of current pandemic situation of COVID-19 .

The meeting chaired by Sri. K.H. Shamsudeen ,Chief Engineer,(Irrigation & Administration) commenced at 2.00 P M.

Opening the discussion, Chief Engineer, Projects-1, the Convener, informed that the Empowered Committee held on 23-4-2020 has reviewed the bid process and evaluated technical bid placed before the committee and has requested the technical committee to review the scoring ensuring proportionate marking for all items and return the findings at the earliest.

Pursuant to the decision taken by the Empowered Committee, the technical committee reviewed the scoring and decided to give the score to Sl. No.3 - Annual Turnover and for Sl. No.5 Specific Dredging & Contract Management Experience of last five years in proportionate manner.

Technical committee reviewed scores given to each criteria and enquired reason for the allotted score against Sl.No.6 Qualification of person in key position, Superintending Engineer , Siruvani Project Circle, informed that for Sl.No.6 Qualification of person in key position, the
