Further details can be had from the Office of the **Executive Engineer, Irrigation Division, Kakkanad, Ernakulam** during working hours. The undersigned reserves the right to reject the tender submitted by the tenderer without assigning any reason..

The firm period of the tenders shall be 60 days from the due date of submission of bid.

The bidder is advised to submit the bids well before the stipulated date & time to avoid any kind of network issues, traffic congestion, etc. In this regard, the department shall not be responsible for any kind of such issues faced by bidder. Subsequent to the introduction of GST by Government deduction of service tax from bill of works done will be mandatory as per the guidelines issued by the Government. All other existing conditions related to the tenders of Kerala PWD / Irrigation Department will be applicable in this tender also.

Special conditions for the removal of silt/sand near regulators

1. The bid is for quoting amount payable to government by bidder for resiltng/removing surplus sand accumulated near the regulators.
2. Silt/sand shall be removed using the most appropriate method while strictly adhering to the safety conditions and logistical guide lines stimulated by the government.
3. The removal silt/sand shall be carried out under the following conditions.
 - a. Fixing the datum levels for removal of sediments for the entire regulator area.
 - b. Sediment transportation operation from loading point shall be carried out only in the presence of officers concerned during day time only. The transportation time shall be fixed as per the district monitoring committee.
 - c. The datum levels throughout the regulator shall be fixed by bidder at their on expense as per the direction of departmental officers at site. The sediment extraction process shall be commenced only after fixing datum levels.
 - d. The process of removal and disposal should adhere to all existing rules and norms of the government.
 - e. The quantity given is only approximate.
 - f. The silt/sand shall be removed within 30 days after handing over the site.
 - g. The removal of silt/sand and subsequent operation should not affect any of the structure at the regulator site.
 - h. Silt/sand should not be used for filling in areas prohibited by government
 - i. Roads used for sand transportation may be watered frequently as and when required in order to reduce air pollution caused by dust.
 - j. Vehicle shall be covered completely while transporting to reduce pollution problem.
 - k. Any damages to roads, infrastructure or any other properties caused due to this work shall be rectified by the bidder within the completion period.

- l. During desiltation or transportation or any other stages of work shall not cause any nuisance to the public.
- m. The entire process shall not cause any pollution to air water or land environment.
- n. Maximum two vehicles are allowed at loading point. Bidder shall make his own arrangements or proper maintenance and parking vehicle at suitable place.
- o. Sand removal operation shall be carried out as per the approved transportation plan.
- p. 2% of agreed PAC or 25 lakhs whichever is less should be deposited as per the direction of superintending engineer in any nationalized bank before executing agreement for providing necessary surveillance system, check post etc.
- q. All the taxes, cess etc. prevalent should be paid by the contractor.
- r. The security deposit of 5 % will be released on completion of the work and on recommendation by the Executive Engineer. The refundable advance payment of 2 % or 25 lakhs will be proportionally adjusted in the installments of the advance payment.
- s. Payment of royalty or any associated charges is exempted within the desiltation zone as mentioned in the pass issued by the competent department engineer as per G O (MS) No: 2/2020/WRD dated 07/01/2020. However beyond the desiltation zone, license / royalty for stacking and sale of material removed would be applicable.
- t. The contractor should deposit advance payment for the quantity of material to be removed for the next 30 days in reservoir management fund in favor of Chief Engineer Irrigation and Administration Thiruvananthapuram.
- u. The type of vehicle to be used for conveyance of material (16 m3 tipper or 4 m3 lorry) will be as per the direction of departmental officers. Dewatering pump (10 HP) Dozer/Proclainer/JCB, Generator 30 KVA etc. are essential requirements for the execution of work.
- v. The entire process of desiltation work will be as per GO (MS) No: 50/2019/WRD dated 08/11/2019 and guide lines issued by the government.
- w. The sand/clay obtained from the RCB is to be stacked the nearby department/revenue yard and the same may be send out / sold only after completing the required legal and technical procedures at the yard itself as per the directions of the departmental officers.

CL 297842

the form of bank guarantee or any other forms prescribed in the revised PWD Manual, which shall remain valid till 28 days from the completion of defect liability period. The performance guarantee less any amount from the contractors shall be returned to him after 28 days from the date of completion of defect liability period. If the bid of the successful bidder is unbalanced in total in the case of percentage rate contract, relation to the estimate, the difference in cost should be deposited as performance guarantee for unbalanced price in addition to the normal performance guarantee. Tender/Quotation with quoted PAC less than 75% of the estimate PAC will be rejected. Contractor shall execute an agreement for the work in the P.W. Schedule Form. If he fails to do this or in the case of P.W. contracts do not maintain a specified rate of progress (to be specified in each case in the tender schedule) the earnest money and performance guarantee shall be forfeited to Government and fresh tenders shall be called for or the matter otherwise disposed off. If as a result of such measures due to the default, of the Contractor to pay the requisite deposit, sign contracts or take possession of the work, any loss to Government results, the same will be recovered from him as arrears of revenue, but should it be a saving to Government, the original Contractor shall have no claim whatever to the difference. Recoveries on this or any other account will be made from the sum that may be due to the Contractor on this or any other subsisting contracts or under the Revenue Recovery Act, otherwise the Government may decide.

No 27212/C.B. 2020 B 104

27/03/2020

4/03/20

In addition to Performance guarantee, security deposit for the work shall be collected by deduction from the running/final bill of the contractor @ 2.5% of the amount of each running and/or final claims till expiry of defect liability period. Security Deposit can be released against bank guarantee on its accumulation to minimum amount of Rs.5 lakhs. The minimum amount of bank guarantee shall not be less than Rs.5 lakhs at a time.

NOW THERE FOR THESE PRESENT WITNESS AND it is mutually, agreed as follows:

1. The terms and conditions of the said contract having been stipulated in the said tender form to which the contractor has agreed, a copy of which is hereto appended which forms part of this agreement, it is agreed that the terms and conditions stipulated therein shall bind the parties to this agreement except to the extend to which they are abrogated or altered by express terms and conditions herein agreed to and in which respect the express provisions herein shall supersede those of the said tender form.

The Contractor hereby agrees and undertake to perform and fulfill all the operations connected with the execution of the said contract work viz **Desiltation of Manjummel Regulator Cum Bridge** (H.E. the name of the work) if awarded in favour of the contractor.

2. If the contractor does not come forward to execute the original agreement after the said work is awarded and selection notice issued in his favour or commit breach of any of the conditions of the contract as stipulated in clause 13 of the notice inviting tenders as quoted above within the period stipulated therein, the Government may rearrange the work otherwise or get it done departmentally at the risk and cost of the Contractor. The amount due to Government shall be assessed and fixed as liability of the contractor, by the officer executing agreement and intimated to him. An amount equal to 30% of the cost of the remaining works at agreed rates of the terminated contract will be recovered from the defaulted contractor towards the risk and cost within three months. The total loss, if any, shall be realized after the rearrangement of the balance work. If he fails to remit the amount within this periods following steps can be adopted for realization of loss. The amount can be realized from the following. 1. EMD/Security 2. Bill amount/retention if any due to the contract. 3. Any dues from department to the contract 4. Bank Guarantee/Performance Guarantee or By filing civil suit against the contractor, by the officer executing the agreement, in consultation with the District Government Pleader of the district in which the concerned work was tendered.
3. The Contractor further agrees that any amount found due to the Govt. under or by virtue of this agreement shall be recoverable from the Contractor from the EMD/Security and his properties, movable and immovable as arrears of land

revenue under provisions of Revenue Recovery Act for the time being in force or in any other manner as the Govt. may deem fit in this regard.

3. The Contractor further assures that it is clearly understood that the settlement of claims either by part bills or by final bill will be made only according to the availability of budget provision and allotment of funds made with the Divisional Officer in charge of the work under the respective heads of account in which the work is sanctioned and arranged. For proper payment of the above bills the state wide (effective management of letter of credit issuance) EMLI software is introduced by the Government and all part/final bills are entered in the software on the basis of seniority. The payment is done only after getting letter of credit from government as per state wide seniority maintained through software. No claims for interest or for damages whatsoever shall be made for the belated settlement of claims of bills.
4. The decision taken by the Accepting Authority shall be final and conclusive and shall be binding on the contractor.

Sri. P S Koshy The Executive Engineer, Irrigation Division, Ernakulam (H.E. the name of the officer of the Department) for and behalf of the Governor of Kerala and Shri.
